

# HechiZero

SANTA EMA

## RED BLEND

ALCOHOL	PH	TOTAL ACIDITY	RESIDUAL SUGAR
<0,5°	3.26	3.18 g/L	19 g/L

HechiZero combines smoothness, balance and intense aromas, offering the full wine experience without the alcohol. Fresh, round and harmonious, to enjoy without compromise.

### ORIGIN

Crafted with carefully selected grapes from the Maipo Valley. Fermentation at low temperatures preserves the natural aromas and nuances of the grapes, reflecting the best of our land.

### WINEMAKING

The alcohol is gently removed through a delicate process of osmosis and reverse membrane filtration, preserving aroma, flavor and body. The result is a sophisticated, low-calorie alcohol-free Red Blend.

### TASTING NOTES

Deep red with violet hues. Intense aromas of black fruits such as blackberries, plums and blueberries, with delicate toasted notes. On the palate, it is round and smooth, with light acidity at the beginning and ripe tannins on the finish.

### IDEAL PAIRING

Vegetable stews, artisanal cheeses or a classic Chilean corn pie (pastel de choclo).

The magic of **limitless** enjoyment
